通告 CIRCULAR

Subject: **CHINA CONNECT CENTRAL GATEWAY (CCCG) – THIRD ROLLOUT TEST FOR FIRST BATCH USERS**

Enquiry: **Participant General Enquiry Hotline (Tel : 2840 3626 E-mail : trd@hkex.com.hk)**

Please note that majority of China Connect Exchange Participants (CCEPs) who have enrolled to be the first batch users of CCCG (CCCG users) have successfully completed the two Rollout Tests on 13 May 2017 (RT1) and 10 June 2017 (RT2). In order to ensure a smooth rollout of CCCG, a **third Rollout Test (RT3) will be held on 17 Jun 2017 (Saturday). The RT3 is mandatory for those CCCG users who did not successfully complete the previous RTs** while it is optional for those who have confirmed positive test results in the previous RTs.

Similar to the RT2, the RT3 will simulate daily trading activities and system failover of CCCG and HKEX's Orion Market Data Platform – China Connect Securities (OMD-CC) from primary site to backup site.

During the RT3, CCCG users must log on and perform trading activities on all CCCG session(s) subscribed. An [Information Package on Rollout Test 3 for Batch 1 CCCG Users](#) (Information Package) setting out the schedules, guidelines and rundowns of the RT3 is available for download from the [Technical Documents](#) section at the HKEX mutual market website (<http://www.hkex.com.hk/mutualmarket>).

CCCG users who wish to participate in the RT3 and Fallback Verification Session are required to return the completed booking form (Appendix A in the Information Package) **on or before 14 June 2017**. After completion of the RT3, **CCCG users who are mandatory to participate in RT3 are required to return the completed feedback form** (Appendix C in the Information Package) **on or before 19 June 2017**.

Subject to the successful completion of the RT3, rollout date of CCCG will be announced in due course.
