Exchange and CCASS Participants should inform and liaise with their clients as soon as possible to take any appropriate action(s). Potential course of action(s) to be taken by investors on or before the Last Trading Day are briefly mentioned below.

Potential actions to be taken by investors on or before the Last Trading Day

1. Trading on the SEHK on any trading day up to (and including) the Last Trading Day (i.e. from now up to and including 31 July 2017)

On any trading day up to (and including) the Last Trading Day, an investor may continue to buy or sell its Units in the Terminating Products on the SEHK in accordance with the usual trading arrangements, during the trading hours of the SEHK and based on the prevailing market prices. The market makers of the Terminating Products will continue to perform their market making functions in accordance with the trading rules of the SEHK in respect of the Terminating Products. These Exchange Trades will be cleared inside CCASS and automatically settled on a Continuous Net Settlement (CNS) basis as usual unless they are isolated from the CNS System by the counterparty Exchange Participants at the time of trade or isolated from the CNS System by HKSCC, in which case such trades will be settled on a trade-for-trade (TFT) basis.

2. Holding Units after the Last Trading Day

Relevant Investors who are recorded by HKSCC as the beneficial owner of Units which are registered in the name of HKSCC Nominees Limited and held in CCASS will be entitled to a Final Distribution of an amount equal to the Terminating Products' then Net Asset Value in proportion to the Relevant Investor's interests in the Terminating Products as at the Distribution Record Date (i.e. By close of business on 3 August 2017).

The Final Distribution payable to each Relevant Investor is expected to be paid to the accounts of its financial intermediary or stockbroker maintained with CCASS on or around 7 August 2017.

IMPORTANT NOTES: If an investor disposes of its Units in the Terminating Products at any time on or before the Last Trading Day, such investor will not, in any circumstances, be entitled to any portion of the Final Distribution for the Terminating Products, in respect of any Units of the Terminating Products so disposed. Investors should therefore exercise caution and consult with their professional and financial advisers before dealing in their Units in the Terminating Products or otherwise deciding on any course of actions to be taken in relation to their Units in the Terminating Products.

Exchange/CCASS Participants are urged to:

- forward a copy of the Announcement and Notice to their clients holding Units in the Terminating Products, and inform them of the contents of the Announcement and Notice as soon as possible;
- facilitate their clients who want to dispose of Units in the Terminating Products on or before the Last Trading Day; and
- inform their clients as soon as possible if any earlier dealing deadline, additional fees or charges, and/or other terms and conditions will be applicable in respect of the provision of their services in connection with any disposal of Units in the Terminating Products.
