Subject: “Investment in the Mutual Market Era” Seminar
Enquiry: Ms. Ada Yang (Tel: 2840 3404) or Ms. Tiffany Wang (Tel: 2211 6131)

The Hong Kong and Mainland China’s A-share markets have entered into a Mutual Market Era following the launch of Shanghai-Hong Kong Stock Connect in 2014 and Shenzhen-Hong Kong Stock Connect last year. The composition of investors, demographics and investment patterns in the Hong Kong stock market is changing in the Mutual Market Era, which is posing new challenges and opportunities for investors in Hong Kong.

In light of this, HKEX is hosting a series of investment education programmes for general investors in Hong Kong to discuss risk management and asset allocation in the Mutual Market Era.
