The Trading Hall of The Stock Exchange of Hong Kong Limited was opened in 1986. Since then, floor trading has been part of the Hong Kong securities industry and produced some very memorable images. As a result of more and more Exchange Participants electing to trade at their own offices due to the advancement of technology, the Exchange's floor trading era will end towards the end of this month. HKEX plans to rejuvenate the current Trading Hall and Exchange Exhibition Hall premises by redeveloping it into an iconic showcase to promote the Hong Kong financial markets and present its history.

To bid farewell to floor trading, HKEX will host a gathering with details as follow:

Date:	27 October 2017 (Friday)
Time:	4:30pm - 7:00pm 6:00pm—Greetings by HKEX Chief Executive Charles Li
Venue:	The Exchange Exhibition Hall 1/F, One & Two Exchange Square, Central, Hong Kong (Please refer to location map attached)

All Exchange Participants and holders of Stock Exchange Trading Rights are cordially invited to join the event by completing the online registration form through this [link](#) on or before 24 October 2017 (Tuesday). Each Exchange Participant or holder of Stock Exchange Trading Right may register up to 2 representatives for the event.

We endeavour to provide confirmations of registration by email before close of business on 26 October 2017 (Thursday). Due to capacity and safety consideration, only those with confirmations of registration (printed or electronic) and matching business cards will be admitted to the venue. Attendees are encouraged to bring along identification vests they used in the Trading Hall, if applicable, for photo shooting purpose.
