通告 CIRCULAR

Subject: Implementation of e-Demand Note

Enquiry: Ms Yan Ng (852) 2840 3801

To: All Customers

With effect from 3 April 2018, all fees will be billed using e-Demand Notes. These will be sent electronically to customers' designated email addresses maintained by our Finance Division, which will improve efficiency, reduce cost and eliminate paper consumption. The layout of the e-Demand Notes is identical to existing hard copy demand notes and they can be printed if necessary. As a transitional arrangement, hard copy demand notes and e-Demand Notes will both be issued for the April 2018 billing but, thereafter, hard copy demand notes will no longer be produced.

If you would like to update the email address of any e-Demand Note recipient of your company, please contact us by email at: debitnote@hkex.com.hk

Yours faithfully,

Vincent Kwong
Managing Director
Finance Division
