通告 CIRCULAR

Subject: **ON BEHALF OF (OBO) MASS ORDER CANCELLATION FUNCTION**

Enquiry: **Participant General Enquiry Hotline¹ (Tel : 2840 3626 E-mail : trd@hkex.com.hk)**

The Exchange has recently received enquiries from Exchange Participants (EPs) on the usage of OBO Mass Order Cancellation function ("the Function").

EPs are reminded that the Function is developed to safeguard EPs' interests in case of emergency. With the Function, when an EP experiences difficulty in sending cancellation requests via the original OCG session, it may use any one of its other OCG session(s) to cancel a specified set of outstanding orders input via that original OCG session. EPs are strongly advised to use the Function **during emergency situations only** but not on a day-to-day basis.

EPs may refer to OCG technical documents available on the [HKEX website](#) for the further operation details of the Function.
