Pursuant to the capital reorganisation timetable issued by Digital Domain Holdings Limited ("Digital Domain"), the capital reorganisation which comprises the share consolidation of 10 existing shares of HK\$0.01 each in Digital Domain into 1 consolidated share of HK\$0.10 each and the capital reduction of nominal value of the consolidated shares from HK\$0.10 each to HK\$0.01 each will become effective on 11 October 2021. Shareholders, investors and market participants should read the Digital Domain's circulars and regulatory announcements in full including the terms and conditions of Digital Domain's capital reorganisation in dealing with Digital Domain's shares. If they are in doubt, they should consult their professional adviser(s).

As an OTP-C standard practice for share consolidation and for reference only, an Adjusted Previous Closing Price will be displayed in the "PRV CLOSE" field of Digital Domain's OTP-C temporary stock page (stock code: 2975) on 11 October 2021. Calculation of the Adjusted Previous Closing Price will be based on Digital Domain's closing price on 8 October 2021 (i.e. the day immediately before the capital reorganisation becoming effective) and by using the following standard adjustment formula for share consolidation generally.

#### Adjustment Formula:

Adjusted Previous Closing Price

= Closing Price on the day immediately before Capital Reorganisation becoming effective x R

where:

R = Ratio of Share Consolidation, i.e. 10/1

.../2

For illustration purpose, depending on Digital Domain's closing price on 8 October 2021, the Exchange shall base on the above standard formula for share consolidation generally to calculate and display the Adjusted Previous Closing Price on Digital Domain's OTP-C temporary stock page on 11 October 2021 as follows:-
