THE STOCK EXCHANGE OF HONG KONG LIMITED

(A wholly-owned subsidiary of Hong Kong Exchanges and Clearing Limited)

通告 CIRCULAR

Subject: **PRACTICE SESSION FOR SERVER REPLACEMENT OF ORION TRADING
PLATFORM – SECURITIES MARKET (OTP-C)**

Enquiry: **Participant General Enquiry Hotline¹ (Tel: 2840 3626 E-mail: trd@hkex.com.hk)**

Exchange Participants (EP) are requested to note that the Exchange will refresh the hardware for Orion Trading Platform – Securities Market (OTP-C). Due to technology obsolescence, the servers of OTP-C will reach the end of support by service provider and hence a mandatory replacement will be required. The server replacement will be conducted within HKEX systems and have no functional nor interface impact to EPs' systems.

An **optional Practice Session** will be arranged on **20 November 2021 (Saturday)** for EPs to verify general system stability after the server replacement. EPs are encouraged to join the Practice Session and no prior enrollment will be required. EPs should follow the activity rundown ([Attachment 1](#)) during Practice Session. HKEX Orion Market Data Platform for Securities Market (OMD-C) will operate during the Practice Session, so EPs relying on information vendors to provide market data updates for trading purpose should liaise with their respective information vendors for support during the Practice Session.

Subject to the successful completion of the Practice Session, an **optional Post Release Test (PRT)** will also be arranged before the rollout of the new servers tentatively scheduled in early December. Details of the PRT will be announced in due course.

Thank you in advance for your continued support to our market enhancements.

Sally Kwok
Senior Vice President
Trading Department
Operations Division
