Subject: **ROLLOUT OF ELECTRONIC COMMUNICATION PLATFORM 2.0 (ECP 2.0)
PHASE 1 ON 25 APRIL 2022**

Enquiry: **Participant General Enquiry Hotline¹ (Tel: 2840 3626 E-mail: trd@hkex.com.hk)**

Further to the Exchange Circular (Ref No: [CT/024/22](#)), the Exchange is pleased to announce that following the successful completion of the practice session, **Electronic Communication Platform 2.0 (ECP 2.0)** will begin its phased rollout on **25 April 2022 (Monday)**.

Phase 1 Rollout

Starting from 25 April 2022, parallel run of the file downloading function on both the existing ECP and ECP 2.0 will commence. Exchange Participants (EPs) can refer to the Appendix of [ECP 2.0 User Guide](#) for files (e.g. day-end trade files and closing price files) which will be available for download.

EPs are reminded to set up their access to ECP 2.0 in Client Connect prior to the rollout. Please refer to the [Guidelines for Setting up the Access to ECP 2.0 via Client Connect](#) for details.

Phase 2 Rollout

Phase 2 rollout involving the file submission function will commence following the successful rollout of the Phase 1 and a parallel run period. File submissions (e.g. Submission of Stamp Duty Daily Return (SD-1), Submission of ETF Market Makers Underlying Stock Transactions Report Form (SD-6)) will gradually be migrated from existing ECP to ECP 2.0 in early June tentatively. To ensure EPs' readiness, practice session for file submission will be arranged before the Phase 2 rollout. The existing ECP will still be up and running for contingency purpose during this period. Details of file migration and schedule will be announced in due course.
