通告 CIRCULAR

Subject: **SHANGHAI-HONG KONG STOCK CONNECT – MIGRATION TO NEW SHANGHAI STOCK EXCHANGE (SSE) TRADING GATEWAY**

Enquiry: **Participant General Enquiry Hotline¹ (Tel: 2840 3626 E-mail: trd@hkex.com.hk)**

Reference is made to the [announcement](#) issued by SSE today which confirms the date of the first batch migration to the new SSE trading gateway on 18 July 2022, with the dates of the subsequent migrations to be confirmed at a later stage.

China Connect Exchange Participants (CCEPs) and Trade-through Exchange Participants (TTEPs) are required to note that Orion Trading Platform – China Stock Connect (OTP-CSC) for northbound trading **will not be migrated** to the new trading gateway in the first batch, in view of market readiness and migration risk mitigation necessary for a major technical upgrade. Subject to the smooth migration of the first batch and market readiness, we are working with the SSE to migrate OTP-CSC to the new gateway in the next batch, with the exact date to be further confirmed by SSE.

Further **optional** practice session for CCEPs will also be arranged to verify their system readiness and the relevant details will be announced in due course.
