Subject: Update on the Capital Adjustment Method for Stock Options Contracts of Ping An Healthcare and Technology Co., Ltd in Relation to Special Dividend

Enquiry: HKATS Hotline¹ Tel: 2211-6360
DCASS Hotline Tel: 2979-7222

Reference is made to the circular dated 28 November 2024 (Ref: [MO/DT/273/24](#)). In order to offer additional protection for market integrity, a floor of 0.1 will be introduced to the adjustment ratio (AR) by the Exchange for calculating the adjusted exercise price and the adjusted contract size for the capital adjustment of the Stock Option contracts of Ping An Healthcare and Technology Co., Ltd.

For details, please refer to the table below.

	When Calculated AR ≥ 0.1	When Calculated AR < 0.1	Remark
Adjusted Exercise Price (AEP)	Exercise price of outstanding Stock Option series x Actual AR	Exercise price of outstanding Stock Option series x 0.1 (AR Floor)	Rounded to the nearest 2 decimal places
Adjusted Contract Size	Exercise price of outstanding Stock Option series x (500 shares / AEP)		Rounded to the nearest 4 decimal places

¹ All calls to the HKATS hotline would be recorded. Please refer to the following link for HKEX privacy policy statement: https://www.hkex.com.hk/Global/Exchange/Privacy-Notice?sc_lang=en

Participants should notify all clients trading / holding positions in Stock Options contract of the details of trading, clearing, settlement arrangements and the associated risk. Please ensure that your back office systems are ready for smooth operations in handling the proposed revision. In addition, all your staff should be fully aware of the trading and clearing arrangements and should exercise caution with the proposed revisions when dealing with the standard and adjusted Stock Options contracts.
