Pursuant to the capital reorganisation timetable issued by China Sandi Holdings Limited ("China Sandi"), the capital reorganisation which comprises the share consolidation of 200 existing shares of HK\$0.01 each in China Sandi into 1 consolidated share of HK\$2.00 each and the capital reduction of par value of the consolidated shares from HK\$2.00 each to HK\$0.001 each will become effective on 6 October 2026. Shareholders, investors and market participants should read the China Sandi's circulars and regulatory announcements in full including the terms and conditions of China Sandi's capital reorganisation in dealing with China Sandi's shares. If they are in doubt, they should consult their professional adviser(s).

As an OTP-C standard practice for share consolidation and for reference only, an Adjusted Previous Closing Price will be displayed in the "PRV CLOSE" field of China Sandi's OTP-C temporary stock page (stock code 2934) on 6 October 2026. Calculation of the Adjusted Previous Closing Price will be based on China Sandi's closing price on 5 October 2026 (i.e. the day immediately before the capital reorganisation becoming effective) and by using the following standard adjustment formula for share consolidation generally.

Adjustment Formula:

Adjusted Previous Closing Price

= Closing Price on the day immediately before Capital Reorganisation becoming effective x R

where:

R = Ratio of Share Consolidation, i.e. 200/1

.../2

For illustration purpose, depending on China Sandi's closing price on 5 October 2026, the Exchange shall base on the above standard formula for share consolidation generally to calculate and display the Adjusted Previous Closing Price on China Sandi's OTP-C temporary stock page on 6 October 2026 as follows:-
