通告 CIRCULAR

Subject: **Download and Upgrade of Google Chrome Browser for HKATS Online and HKATS Risk Functions**

Enquiry: **HKATS Hotline[1] 2211-6360 / Email: HKATSSupport@hkex.com.hk**

Currently, the official supporting browser for HKATS Online and HKATS Risk Functions is Google Chrome version **148.0.7778.97** ("Current Version").

To align with the update of Google Chrome, Exchange Participants ("EPs") are required to download the available **Google Chrome for Windows version** from the following link **on 9 November 2026 during 9:00 a.m. to 12:00 noon Hong Kong Time** ("9 Nov Version").

https://chromeenterprise.google/download/?modal-id=download-chrome#windows-download

EPs should pay attention to the followings:

1. Circular will be issued to notify EPs when they can start to install this 9 Nov Version;

2. Prior to installing the 9 Nov Version, EPs are strongly recommended to backup the Google Chrome installer of the Current Version. By keeping a backup of the previously-verified installer, EPs can ensure that a reliable and stable Google Chrome version is available at all times. This can help to minimize any disruption to EPs' trading activities; and

3. **EPs may not be able to login HKATS if the Google Chrome versions of their HKATS Online or HKATS Risk Functions are not complied with HKEX's requirement as prescribed from time to time.**

[1] All calls to the HKATS hotline would be recorded. Please refer to the following link for HKEX privacy policy statement: https://www.hkex.com.hk/Global/Exchange/Privacy-Notice?sc_lang=en

EPs are highly recommended to coordinate with their IT teams and/or system vendors for necessary preparation. For any enquiries, please contact HKATS hotline at 2211 6360 or email to HKATSSupport@hkex.com.hk.
