通告 CIRCULAR

Subject: Workshops on Next Generation Risk Models

Hotline 2979 7111 **Enquiry**:

Following the seminars on Next Generation ("NG") Risk Models held in April (circular ref: CD/CDCRM/064/2018; seminar material), Hong Kong Securities Clearing Company Limited ("HKSCC") plans to further host five workshops in June to enhance Clearing Participants' ("CPs") understanding of NG Risk Models.

The workshops will cover details of risk management and operational arrangements arising from NG Risk Models, with primary focus on margin calculation methods as well as impact mitigation tools (e.g. Specific Stock / Cash Collateral). Details of the workshops are as follows:

Agenda: **Session A** Operation

Key Topics: Specific Stock / Cash Collateral

Session B **Risk Management**

Key Topic: Margin calculation methods

Note: Representatives from the operation function are advised to attend Session A, while those from the risk management function are advised to attend Session B.
