1. Overview

This user guide is applicable to the issue for 2007 only. For earlier issues, please refer to the user guide for issue of 1990 to 2006.

Listed Companies' Annual Reports / Interim Reports is one of the electronic data products published on DVD by Hong Kong Exchanges and Clearing Ltd. It includes 2 products as follows,

- i. Main Board Listed Companies' Annual Reports / Interim Reports
- ii. GEM Listed Companies' Annual Reports / Quarterly Reports

Listed Companies' Annual Reports / Interim Reports covers the annual / interim / quarterly reports published by the companies listed on the Main Board or GEM Board of the Stock Exchange of Hong Kong.

Each set of DVD contains annual / interim / quarterly reports issued for reporting periods ending in the respective calendar year. The documents are stored in PDF format.

With the simple built-in search engine provided in each disk, documents can be retrieved quickly by company name, stock code or document category.

2. New features of the issue for 2007

Listed Companies' Annual Reports / Interim Reports is issued on a yearly basis. The earliest documents covered by this information product were published in 1990.

Following the implementation of the Electronic Disclosure Project (EDP) by HKEx on 25 June 2007, the provision of corporate disclosure via this information product has been improved to take advantage of the additional information available on the issuer documents as a result of EDP.

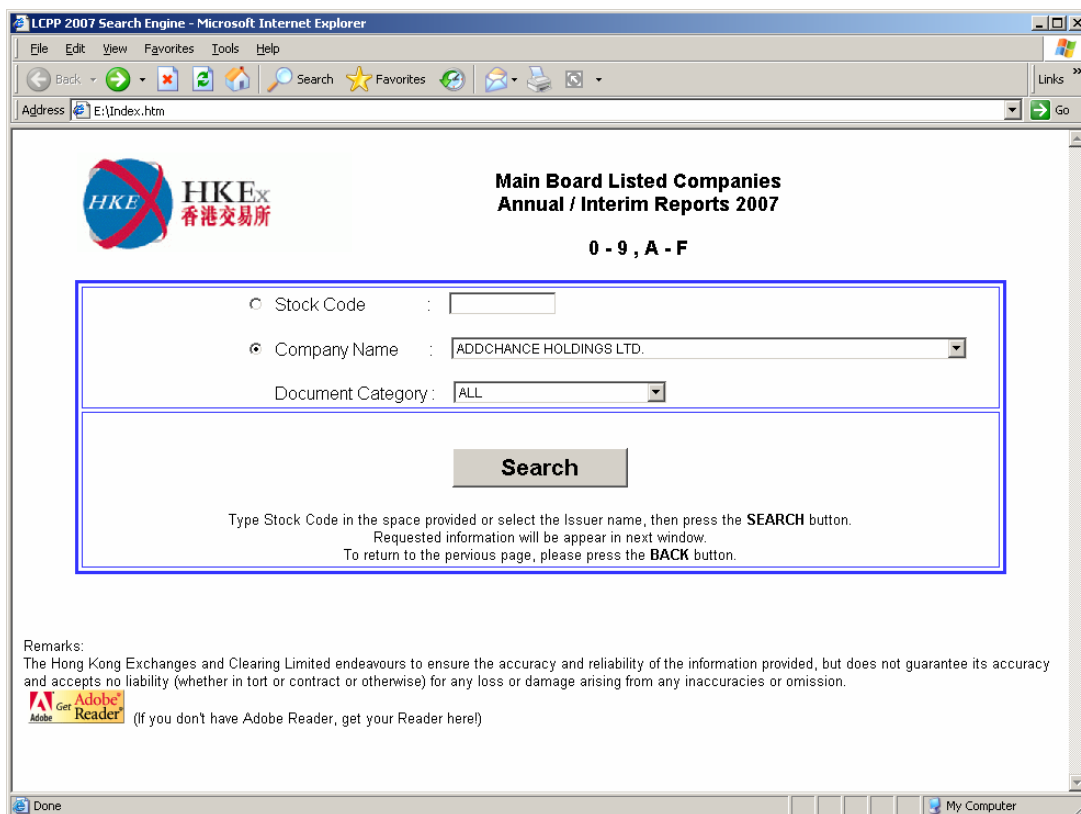

The improvements implemented in the issue for 2007 include:

- 1) The enhanced search function enables users to locate the target documents more quickly by providing a pre-defined "Document Category" list which includes common types of disclosures such as Annual Report, Interim/Half Year Report, etc.
- 2) On search result list, the document titles are shown in their original language for user reference.
- 3) A name change list is available in the first disk to provide the old names and the new names of those listed companies with name change in publishing period for reports ended in 2007. (See sample in Appendix A)
