CHAPTER 14

CHINA CONNECT SERVICE

Conditions and Restrictions on the Use of the China Connect Service

1430. The Exchange has absolute discretion to impose or amend conditions or restrictions for access to or the use of the China Connect Service from time to time for the purpose of ensuring that the trading of China Connect Securities will not contravene applicable laws or for any other reasons which the Exchange considers appropriate. To comply with applicable laws in Mainland China and the requirements of the relevant China Connect Market Operator, such conditions or restrictions may include requirements to comply with certain shareholding thresholds and disclosure obligations, conditions in conducting margin trading, stock borrowing and lending and short selling activities, restrictions in conducting off-exchange transactions, and obligations to alert investors of investment risk and their obligations to comply with applicable laws, and to communicate with investors on regulatory warnings or investigations. Different conditions or restrictions may be prescribed in respect of different China Connect Securities and China Connect Markets. The Exchange will prescribe the conditions or restrictions or change of such conditions or restrictions by making rules or through publication on the HKEx website or such other means as the Exchange considers appropriate. China Connect Exchange Participants shall comply with the conditions and restrictions in all respects.
1435. (1) A China Connect Exchange Participant is subject to and shall comply with the provisions in this Chapter 14 and the applicable China Connect Service Special Rules in addition to those applicable to it as an Exchange Participant, unless otherwise determined by the Exchange. For the avoidance of doubt, nothing in this Chapter 14 or the applicable China Connect Service Special Rules shall affect or relieve the obligations and liabilities of a China Connect Exchange Participant as an Exchange Participant under these Rules.
1436. The Exchange may suspend, restrict or terminate a China Connect Exchange Participant's access to or use of the China Connect Service where the China Connect Exchange Participant fails to comply with these Rules including any provision in this Chapter 14 and the applicable China Connect Service Special Rules. This is without prejudice to any other action that the Exchange may take against the China Connect Exchange Participant or any other rights of the Exchange.
1437. In the event that the Exchange, the SEHK Subsidiary or HKSCC is notified by a China Connect Market Operator, China Connect Clearing House or a relevant governmental or regulatory body that there is reasonable cause to suspect or believe that a China Connect Exchange Participant or any of its clients has failed to comply with or has breached any applicable laws of Mainland China with regard to the trading of China Connect Securities on the relevant China Connect Market through the use of the China Connect Service, the Exchange shall, in addition to any other powers that it may have under these Rules, have the following powers:
- (1) require the relevant China Connect Exchange Participant to provide the Exchange with such information as it may request to assess, or to enable the relevant China Connect Market Operator, China Connect Clearing House or governmental or regulatory body to assess, whether there is any non-compliance or breach of the applicable laws or the extent of any non-compliance or breach, including but not

1438. (2) The circumstances under which the powers under Rule 1438(1) may be exercised include, without limitation, the following:

- (b) in the judgement of the Exchange or the SEHK Subsidiary (after consulting the Exchange), a fair, informed and orderly market for the trading of the relevant China Connect Securities may not exist or be maintained (including where investors are unable to access relevant market information), or there is unusual trading of the relevant China Connect Securities through the use of the China Connect Service;
- (d) where the Commission, a relevant governmental or regulatory body, competent authority or a China Connect Market Operator has requested for a suspension or restriction of the China Connect Service or any part thereof;
- (e) where the Exchange or the SEHK Subsidiary is notified by HKSCC in writing confirming that there are operational or technical issues in respect of HKSCC, a China Connect Clearing House or any of the Clearing Links which must be resolved before the China Connect Service should continue to be made available or not be restricted; and
- (f) where an error, mistake or delay has occurred in relation to the compilation or publication of the List of China Connect Securities, the List of Special China Connect Securities or any other lists concerning China Connect Securities referred to in this Chapter 14 or the applicable China Connect Service Special Rules which, in the judgement of the Exchange or the SEHK Subsidiary (after consulting the Exchange), has affected or may affect the normal or continued operation of the China Connect Service or the relevant Trading Link.

1439. If, in the opinion of the Exchange or the SEHK Subsidiary (after consulting the Exchange), the operation or functioning of the China Connect Service is, or is likely to be, severely or adversely threatened or affected by an emergency (including but not limited to fire, epidemic or other casualty or accident, typhoon, rainstorm, earthquake, natural disaster, power outage, communications breakdown, system failure, computer malfunction, war, riot, civil commotion, labour strike, terrorist attack, material change of law or issue of any governmental or regulatory order, decree or judgment or other similar events) having significant impact on the continuous operation of the China Connect Service, the CSC, a China Connect Market System or a China Connect Market Operator, the Exchange and the SEHK Subsidiary (after consulting the Exchange) shall have full authority to take such actions, steps or measures in relation to the China Connect

Service, the CSC or otherwise, as it may deem necessary or appropriate to deal with such emergency. For the avoidance of doubt, in order to deal with an emergency, the Exchange shall have full authority to suspend or restrict access to or the use of the China Connect Service, change its operational hours and related arrangements, or cancel or request for the cancellation of any or all China Connect orders input by any or all China Connect Exchange Participants, irrespective of whether such China Connect orders have already been routed to the China Connect Market System.

Responsibilities of the Exchange and the SEHK Subsidiary

1442. In allowing access to the CSC or making the China Connect Service available, the Exchange and the SEHK Subsidiary are only providing the system connection arrangements and related services to facilitate the trading of China Connect Securities on the relevant China Connect Market System. The Exchange, HKEx and the SEHK Subsidiary and their respective directors, employees and agents shall not be liable for any obligation with respect to a transaction concluded through the use of the China Connect Service, and all obligations in relation to or arising from any China Connect order or any transaction concluded through the use of the China Connect Service shall be borne by the China Connect Exchange Participant concerned. In addition to any indemnities given by a China Connect Exchange Participant as an Exchange Participant under these Rules, a China Connect Exchange Participant shall fully indemnify the Exchange, HKEx, the SEHK Subsidiary and HKSCC and their respective directors, employees and agents and keep each of them indemnified against all third party claims, actions and proceedings in relation to or arising from, directly or indirectly, any China Connect order routed to a China Connect Market for execution or any transaction concluded through the use of the China Connect Service by the China Connect Exchange Participant and for all losses, damages, costs and expenses incurred by the Exchange, HKEx, the SEHK Subsidiary and HKSCC and their directors, employees and agents in relation to such claims, actions and proceedings.
1443. The Exchange, HKEx and the SEHK Subsidiary, and their respective directors, employees and agents shall not be responsible or held liable for any loss or damage directly or indirectly suffered by a China Connect Exchange Participant, its clients or any third parties arising from or in connection with the China Connect Service or the CSC including, without limitation, the following:

- (11) The following table summarizes the treatment of China Connect orders as described in Rules 1407A(6) to (10) depending on the Daily Quota Balance on a given CSC trading day:

	Daily Quota Balance drops to zero or below before 09:30	Daily Quota Balance drops to zero or below at or after 09:30

Shareholding Restrictions on China Connect Securities

- 14A08. (10) If, within the 5-day period mentioned in Rule 14A08(5), the aggregate foreign shareholding is reduced to below 30% due to other foreign investors selling down the relevant shares, the SEHK Subsidiary may, on its own or upon request from a China Connect Exchange Participant referred to in Rules 14A08(6) and (7) apply for permission to hold the relevant shares without a sell down at such time and in such manner as the Exchange may prescribe from time to time.

- (3) acknowledge, and make appropriate arrangements to require their clients to acknowledge, that the Exchange has the power not to extend the China Connect Service to them and the power to require China Connect Exchange Participants not to accept instructions from them, if it is found that the China Connect Exchange Participant or any of its clients (as the case may be) has or may have committed any abnormal trading conduct set out in or fail to comply with the SSE Rules and the laws and regulations referred to in Rule 14A10(1);
- (4) acknowledge, and make appropriate arrangements to require their clients to acknowledge, that if the SSE Rules are breached, or if the disclosure and other obligations referred to in the SSE Listing Rules or the SSE Rules are breached, SSE has the power to carry out investigations, and may, through the Exchange or the SEHK Subsidiary, require China Connect Exchange Participants to provide relevant information and materials (including the information and personal data of their clients and other persons referred to in Rule 537) to assist in its investigation;
- (5) acknowledge that where there is a serious breach of the SSE Rules, SSE may request the Exchange to take appropriate regulatory actions or commence disciplinary proceedings against China Connect Exchange Participants, or request the Exchange to require China Connect Exchange Participants to issue warning statements (verbally or in writing) to their clients, and not to extend the China Connect Service to them or to their clients;
- (6) acknowledge, and make appropriate arrangements to require their clients to acknowledge, that the Exchange may (for the purpose of assisting SSE in its regulatory surveillance of the SSE Market and enforcement of the SSE Rules and as part of the regulatory cooperation arrangement between the Exchange, the SEHK Subsidiary and SSE), at the request of SSE, require China Connect Exchange Participants to provide information concerning their clients and other persons referred to in Rule 537 with respect to any China Connect orders input or China Connect Securities Trades made or entered into by China Connect Exchange Participants on their behalf; and
- (7) for the purposes referred to in paragraphs (4) to (6), China Connect Exchange Participants shall authorize the Exchange (whether directly or through the SEHK Subsidiary) to disclose, transfer and provide information and personal data concerning their clients and other persons referred to in Rule 537 to SSE upon request and shall make appropriate arrangements (including obtaining the relevant consents) to ensure that the relevant information and personal data may be disclosed, transferred and provided in compliance with applicable laws including the Personal Data (Privacy) Ordinance.

Clearing House or the relevant governmental or regulatory body. For the avoidance of doubt, where any China Connect Exchange Participant fails to pay any such fees, charges, levies or taxes, the indemnity referred to in Rule 1442 applies. The Exchange will provide relevant information regarding such fees, charges, levies and taxes (including, where applicable, the manner of payment, collection and the filing or registration requirements) as are communicated to it by SSE, the relevant China Connect Clearing House or the relevant governmental or regulatory body through publication on the HKEx website or such other means as the Exchange considers appropriate.
