Dear Sirs,

**Revised Test Charges for Market Data Testing**

Kindly be informed that we would revise the test charges for testing on the existing market data platforms including Market Datafeed System (MDF 3.8), Price Reporting System (PRS and PRS Plus) and Issuer Information feed Service (IIS). The effective date of the revised test charges would be 1 May 2013.

The purpose of the revised test charges is to rationalize the current scheme of hourly charges applicable to market data testing. Please refer to the enclosed Test Application Form for further details. All parties who wish to apply for testing of MDF 3.8, PRS / PRS Plus or IIS should complete and submit this form to our Vendor Support Team ([IVSupport@hkex.com.hk](mailto:IVSupport@hkex.com.hk)) for testing arrangements.

Please note that the revised test charges would also be applicable to the upcoming HKEx Orion Market Data Platform (OMD). However, the relevant test charges would not apply to Vendors and End Users who migrate from the existing market data platforms (MDF 3.8, PRS, and PRS Plus) to OMD for pre-production testing.

Should you have any enquiries on the revised test charges, please contact Ada Lee at 852 2840 3520 or Yvette Ying at 852 2840 3009 or email [marketdata@hkex.com.hk](mailto:marketdata@hkex.com.hk). For test application and technical related enquiries, please contact Vendor Support team at 852 2211 6558 or email [IVSupport@hkex.com.hk](mailto:IVSupport@hkex.com.hk).

Yours sincerely,
