Dear Sirs,

**HKEx Orion Market Data Platform Phase 1a (OMD-C) Batch 1 Rollout  
Preparation for Connection to OMD-C Production Environment**

Our notice of 30 April 2013 (our ref: MDD/13/898) providing the latest update on the high-level OMD-C Batch 1 on-boarding schedule refers please.

In order to ensure that Batch 1 clients' connectivity to the OMD-C production environment will be ready in time for the market rehearsals held in June or July this year, HKEx has collected the required connection arrangement from each of the enrolled Batch 1 clients and passed the information to respective network carriers for reference. HKEx will further advise clients of the actual schedule for market rehearsal in due course, and in any case at least a 2-week advance notice will be given. Batch 1 clients are advised to contact your network carrier(s) to proceed with the required preparatory work in the mean time.

HKEx has also received enquiries from clients who may require more than one logon User ID for making requests for the OMD-C Retransmission Service (RTS User ID) to meet their business need. Please be reminded that one RTS User ID (with two unicast IP addresses) will be assigned to each set of the datafeed products, including Securities Standard (SS), Securities Premium (SP) and Securities FullTick (SF), subscribed by the client. For example, a client who has subscribed to one set of SP and one set of SF will have two RTS User IDs assigned. Additional RTS User IDs can be assigned subject to additional connection fees for respective datafeed products.

Clients who would like to have additional RTS User IDs please inform us by sending an email to [OrionMarketData@hkex.com.hk](mailto:OrionMarketData@hkex.com.hk) by this Thursday 16 May 2013 thereupon we will provide an application form which the clients have to return by 24 May 2013 to confirm their subscription if they would like to have the additional IDs available at Batch 1 rollout.

Should you have any queries about OMD on-boarding activities, please do not hesitate to contact our Vendor Support Team at (852) 2211 6558 or send your questions via email to [OrionMarketData@hkex.com.hk](mailto:OrionMarketData@hkex.com.hk).
