**To: Derivatives Market Data Vendors and End Users**

Dear Sirs,

### **Introduction of New Stock Futures**

Please be informed that HKEx will introduce the following new stock futures on **Monday, 10 June 2013**.

<b>Code</b>	<b>Underlying Securities</b>	<b>Stock Code</b>
CSA	CSOP FTSE China A50 ETF	2822
A50	iShares FTSE A50 China Index ETF	2823
AMC	China AMC CSI 300 Index ETF	3188

**a) PRS / PRS Plus Transmission**

The trading information on the new stock futures will be transmitted via PRS and PRS Plus upon the product launch on 10 June 2013. As there will be no technical changes to PRS and PRS Plus, no system test will be arranged for the launch.

**b) Pre-launch Arrangement**

Due to the pre-launch arrangement implemented on Friday 7 June 2013, the PRS and PRS Plus messages of certain message types may include the new stock futures. However, trading of the new stock futures will be suspended on that day and hence there will not be trading data then.

**c) Vendor Access Codes Confirmation**

Information Vendors are requested to complete and return the attached Vendor Access Code Confirmation Form on or before Friday, 7 June 2013 and keep us updated of any change in future. The access codes collected will be published on the HKEx website. (If you have reviewed the access codes on our website and discovered that the access code for any other product is not updated, please also let us know.)

Information Vendors are strongly reminded to make appropriate adjustments where necessary so that correct information could be provided to your customers at all times.
