Dear Sirs

**HKEx Orion Market Data Platform Phase 1a (OMD-C) –
Revised Schedule and Rundown for Shakedown Connectivity Tests and Market Rehearsals**

Our letter of 31 May 2013 (Our ref.: MDD/13/1113) for the distribution of the Information Package on Shakedown Connectivity Test and Market Rehearsals for OMD-C Batch 1 Rollout (“the Information Package”) refers please.

Please be reminded that the Shakedown Connectivity Test (“SCT”) will be conducted this **Saturday 22 June 2013** as scheduled.

Also, in response to clients’ feedback and in order to allow sufficient time for all clients to ensure the healthiness of their network setup before the Market Rehearsals (MRs), we have scheduled a second SCT for next Saturday 29 June 2013. The second SCT provides a chance for clients to redo the test and is optional for clients who have completed the first SCT without problems. As a result, the OMD-C Batch 1 MRs have been rescheduled as below:

Test	Date
Shakedown Connectivity Test	22 June 2013 (Sat)
Shakedown Connectivity Test	29 June 2013 (Sat)
<i>First Market Rehearsal</i>	<i>6 July 2013 (Sat)</i>
<i>Second Market Rehearsal</i>	<i>13 July 2013 (Sat)</i>

Furthermore, the SCT has been enriched to include a test session of high data volume. Please refer to the amended version of the Information Package enclosed herewith where you will find the details of revised test schedule and rundown.

Should you have any queries about OMD on-boarding activities, please do not hesitate to contact our Vendor Support Team at (852) 2211 6558 or send your questions via email to OrionMarketData@hkex.com.hk.
