Dear Sirs,

Termination of PRS and PRS Plus on 28 February 2015

Direct Connection Clients are reminded to liaise directly with their network supplier, including SDNet/2 vendor(s) and HKEx Hosting Services Team, for the termination of the SDNet/2 or HSN circuit set(s) for PRS or PRS Plus to avoid unnecessary line cost.

Please ensure proper arrangements are in place for your systems to continue operating normally after the termination date and there will not be adverse effect on your services to customers.

Lastly, Direct Connection Vendors who are feed providers of Indirect Connection Vendors should also liaise directly with the indirect connection clients on the migration arrangement.
