**To: Derivatives Market Data Vendors, End Users and Application Service Providers
(Collectively “Clients”)
Independent Software Vendors (“ISVs”)**

Dear Sirs,

Introduction of the Physically Settled USD and CNH Gold Futures

Hong Kong Exchanges and Clearing Limited (HKEX) plans to introduce the physically settled USD and CNH Gold Futures Contracts (“Gold Futures Contracts”) in its Derivatives Market, subject to regulatory approval.

Please find below the Trading Symbol and the Commodity Code of the new contracts, and refer to the enclosed Participant Circular for details.

| Trading Symbol | Commodity Code | Product Name |
|-----------------------|-----------------------|---------------------------|
| GDR | 5151 | CNH Gold Futures Contract |
| GDU | 5152 | USD Gold Futures Contract |

We also enclose the updated OMD-D Interface Specification (version 1.19) for including the Market Code information of the new Gold Futures Contracts.

For publicity purpose, please complete and return the attached Vendor Access Code Confirmation Form on or before 12 May 2017 and keep us updated if there is any change. The access codes collected will be published on the HKEX website. (If you have reviewed the access codes on our website and discovered that the access code for any other product is not updated, please also let us know.)

Clients and ISVs are reminded to make appropriate adjustments and arrangements where necessary to ensure the readiness of their systems for the introduction of Gold Futures Contracts.

Should you have any queries, please contact us at (852) 2211 6558 or send your questions to IVSupport@hkex.com.hk.

Yours sincerely,

Karen Lam
Vice President

Data Connectivity & Support, Market Data
Markets Division

Enclosure: i) Participant Circulars - Introduction of the Physically Settled USD and CNH Gold Futures and Registration for Briefing Session (English and Chinese);
 ii) OMD-D Interface Specification v1.19; and
