Dear Sirs,

**Annual Drill for Site Failure for IIS Systems Scheduled for 9 September 2017**

Please be informed that the annual drill for primary site failure and failover to the backup site, or the Disaster Recovery (“DR”) site, of IIS is scheduled for 9 September 2017 (Saturday).

Clients are strongly recommended to participate in the drill to ensure that their operating procedure is well in place to deal with IIS site failover situation. To confirm your participation in the drill, please submit the Test Participation Form online via [this link](#) on or before 1 September 2017 (Friday). Test details will be provided to participating clients in due course.

Clients not participating in the drill are advised not to connect to IIS. As test data from the drill will be disseminated from IIS, Clients should clean up the test data received during the IIS afterwards and ensure no further redistribution of the test data in any event.

Should you have any queries, please contact us at (852) 2211 6558 or send your questions to [IVSupport@hkex.com.hk](mailto:IVSupport@hkex.com.hk).

Yours sincerely,
