Subject: Implementation of e-Demand Note

Enquiry: Ms Yan Ng (852) 2840 3801

To: All Customers

With effect from 1 December 2017, Market Data Fees will be billed using e-Demand Notes. These will be sent electronically to subscribers' designated email address, which will improve efficiency, reduce cost and eliminate paper consumption. The layout of the e-Demand Notes is identical to existing Demand Notes and they can be printed if necessary. As a transitional arrangement, hard copy demand notes and e-Demand Notes will both be issued for the December 2017 billing but thereafter, hard copy paper demand notes will no longer be produced.

Subscribers' email addresses are maintained by our Market Data team. If you would like to update the email address of the e-Demand Note recipients of your company, please contact our Market Data Department by email at: [elecreport@hkex.com.hk](mailto:elecreport@hkex.com.hk)

Yours faithfully,

Vincent Kwong
