Annual Drill for Site Failure for IIS Systems Scheduled for 15 September 2018

Please be informed that the annual drill for primary site failure and failover to the backup site, or the Disaster Recovery (“DR”) site, of IIS is scheduled for 15 September 2018 (Saturday).

Direct Connection Clients are strongly recommended to participate in the drill to ensure that their operating procedures are well in place to deal with IIS site failover situation. To confirm your participation in the drill, please submit the Test Participation Form online via [this link](#) on or before 31 August 2018 (Friday). Test details will be provided to participating clients in due course.

Clients not participating in the drill are advised not to connect to IIS. As test data from the drill will be disseminated from IIS. Clients should ensure no further redistribution of the test data in any event, and clean up the test data after the drill.

Should you have any queries, please contact us at (852) 2211 6558 or send your questions to IVSupport@hkex.com.hk.
