Mainland Market Data Hub (“MMDH”) Data Centre Failover Drill on 12 November 2022

Direct Connection Clients of MMDH are cordially invited to participate in a data center failover drill for system recovery under emergency situation (“the Drill”) on **Saturday, 12 November 2022**.

The objective of the Drill is to allow Clients to practice their contingency procedures to switch the production connection from MMDH primary data center to the secondary data center, by simulating the scenario of service outage in the Shanghai primary data center and activate MMDH at the secondary data center.

To confirm your participation in the drill, please submit the [Online Test Participation Form](#) **on or before 28 October 2022 (Friday)**. The rundown of the Drill will be provided to the participating clients on or before 31 October 2022 (Monday)

Should you have any queries, please contact us at (852) 2211 6558 or send your questions to IVSupport@hkex.com.hk.
