With reference to the enclosed Participant Circular (Ref: [CT/162/22](#)) from Stock Exchange of Hong Kong Limited (“SEHK”), the scope of eligible stocks under Stock Connect will further expanding (“the expansion”).

The expansion would not introduce system interface change in OMD-CC, and is therefore functionally transparent to Clients.

Please note that the expansion will be subject to regulatory approval and market readiness. It is expected that the preparation work will take approximately three months to complete and the official launch will be announced in due course. For details of the expansion, please refer to the enclosed Participant Circular.
