With the Enhancement, trading under Stock Connect is allowed on all trading days where the Hong Kong and Mainland China markets are open. The [Trading Calendar of Stock Connect \(2023\)](#) has been updated with additional Northbound trading days indicated. Upon launch, the first additional Northbound trading day will be on **25 May 2023 (Thursday)**.

Please be reminded once again that the Enhancement would not introduce system interface change in OMD-CC, and is therefore functionally transparent to Clients. As business usual, OMD-CC will be brought up and operated on all trading days.
