Direct Connection Clients of Orion Market Data Platform ("OMD") – Securities Market ("OMD-C") (including those connected via the Mainland Market Data Hub "MMDH"), OMD – Derivatives Market ("OMD-D"), OMD-CC and Issuer Information feed Service ("IIS") are cordially invited to participate in a data center failover rehearsal for system recovery under emergency situation ("the Rehearsal") on **Saturday, 19 August 2023**.

The objective of the Rehearsal is to allow Clients to practice their contingency procedures when HKEX's market data systems failover to the secondary data center in the scenario that there is service outage in the HKEX primary data center and HKEX systems are restarted at the secondary data center.

Clients, who are solely using Hosting Service Network (HSN) connections, would not be able to use their HSN connections to receive market data after the failover to the secondary data center.

To confirm your participation in the Rehearsal, please submit the [Online Test Participation Form](#) **on or before 11 August 2023 (Friday)**. The rundown of the Rehearsal is enclosed for your reference.
