a) Market Data Transmission

The trading information on the MOF T-Bond Futures Contract will be transmitted via OMD-D on the Launch Date.

b) Pre-launch Arrangement in OMD-D

The MOF T-Bond Futures Contract information will also be available in OMD-D via Reference Data one business day before the Launch Date, but they are not tradable on that day.

c) Vendor Access Codes Confirmation

For publicity purpose, Information Vendors (IVs), who plan to provide and display the information of the MOF T-Bond Futures Contract in their service(s) after the product launch, please complete and return the attached Vendor Access Codes Confirmation Form on or before Wednesday, 6 December 2023 and keep us updated if there is any change. The access codes collected may be published on the HKEX website and/or any promotion materials.

Separately, if you have reviewed the access codes on our website and discovered that the access code for any other product is not up to date, please inform us.

For the details of the trading arrangement of MOF T-Bond Futures Contract, please refer to the enclosed Exchange Circular.

Clients and ISVs are reminded to make appropriate adjustments and arrangements where necessary to ensure the readiness of their systems for the introduction of the MOF T-Bond Futures Contract.
