i. Market Data Transmission

Trading information on the six new stock option classes will be transmitted via OMD-D upon the product launch on 17 March 2025.

ii. Pre-launch Arrangement

The final strike information of the new stock option series will be provided to Clients after the close of the day session (at around 6:30 p.m.) on 14 March 2025 by email.

In OMD-D, the information will also be available via Reference Data messages on 14 March 2025, but they will not be tradable on that day.

iii. Vendor Access Codes Confirmation

For publicity purpose, Information Vendors (IVs), who plan to provide and display the information of the six new stock option classes in their service(s) after the product launch, please complete and

return the attached Vendor Access Code Confirmation Form on or before **Friday, 7 March 2025** and keep us updated if there is any change. The access codes collected may be published on the HKEX website and/or any promotional materials.

Separately, if you have reviewed the access codes on our website and discovered that the access code for any other product is not up to date, please inform us.

Clients and ISVs are reminded to make appropriate adjustments and arrangements where necessary to ensure the readiness of their systems for the introduction of six new stock option classes.

For details, please refer to the enclosed relevant Exchange Circular (Ref: [EQD/02/25](#)).
