Dear Sirs,

Enrolment Status of Marketing Programme for New Derivatives Products

Further to our letter of 10 September 2013 (Ref: MDD/13/1732) regarding the launch of Marketing Programme for New Derivatives Products, we are pleased to announce that we have received 27 applications so far. Among these, 16 information vendors (IVs) have launched data services under the programme.

The programme is aimed to promote derivatives market data in Mainland China, Japan, Korea, Singapore and Taiwan with a focus on new derivatives products. We target to provide a comprehensive benefit package on redistribution and subscriber fee waivers for IVs and investors.

Further details of the programme and a full list of IVs with relevant services launched under the programme can be found on HKEx website: <http://www.hkex.com.hk/eng/prod/dataprod/mpndp.htm> .

Please be reminded that the programme is still open for enrolment. To apply, please complete and submit the [Enrollment Form](#) and send to us by email (marketdata@hkex.com.hk). We would then follow up with you on the vendor licensing procedures and assist you in completing the relevant application forms.

Should you have any questions on the programme details and application process, please contact:
