Important Notes to Vendors:

1. For fault reporting, please call our Vendor Support Hotline at (852) 2211 6558.
2. All messages disseminated during the testing period should be treated as non-production data and have to be cleaned up afterwards.
3. Contingency Arrangements upon issuance of Typhoon and /or Rainstorm Warning Signal on the day of the Post-Release Test (PRT):
 - a. In case Typhoon Signal No. 8 or above and / or Black Rainstorm Warning is issued or continues to be issued after 12:30pm and before 2:30pm on the day of the PRT, the PRT will be cancelled and will not be resumed for the rest of the day.
 - b. In case Typhoon Signal No. 8 or above is issued after 2:30pm on the day of the PRT, the PRT will be terminated 15 minutes thereafter.
 - c. In case Black Rainstorm Warning is issued after 2:30pm on the day of the PRT, the PRT will continue until completion.
 - d. In any case, all participating Information Vendors / End Users should complete the appropriate day-end works including file / database backup, system restoration / fallback and etc. before, during and / or after the PRT.
