The position limit for each stock futures will be 5,000 open contracts per contract month.

Market Making

The Exchange now invites applications for Market Maker Permits. Interested parties should contact Ms. Montassya Hutaauruk (MontassyaHutaauruk@hkex.com.hk), Mr Charles Kwan (CharlesKwan@hkex.com.hk) or Mr Joe Huang (JoeHuang@hkex.com.hk) for application details.

Pre-launch Arrangements

The following pre-launch arrangements for the new stock futures will be implemented on **Friday, 29 June 2018** (i.e. one business day before the Commencement Date):

- a. stock futures series of the new stock futures will be displayed, but not tradable; and
- b. the risk parameter files (RPF), clearing and open interest reports on new stock futures will be generated.

The purpose of the generation of RPF one business day before the Commencement Date is to assist Participants to estimate the margin requirements for the new stock futures Contracts trading on the Commencement Date.

Please note that the margin requirements estimated using the RPF available after the settlement process on the business day before the Commencement Date may not be the same as the actual amounts required on the Commencement Date. HKEX and its subsidiaries accept no liability whatsoever for any loss or damage arising from or in connection with the use of the information contained in such RPF. Participants who wish to use the above-mentioned

RPF are reminded to update the PC-SPAN Organisation Master File. For details, please refer to the relevant Clearing House circular to be issued in due course.

Trading Information

The access codes of information vendors for the new stock futures will be posted on the HKEX website in due course.

Inform Staff and Clients

Please notify your staff and all interested clients of the details of the new stock futures, in particular that the Contract Multipliers of the new stock futures may be a multiple of the board lot shares of the underlying stocks.

Please ensure that your back office systems are ready for a smooth operation. In addition, all your staff should be fully aware of the above and should exercise caution when dealing with these stock futures contracts and when advising your clients.

Investors should also be aware that some stock futures contracts have market makers signed up while others do not. Availability of market makers, depending on their sign-up, may also change from time to time. The availability of market makers will be updated in [HKEX website](#) from time to time. Investors should exercise due caution in trading stock futures contracts without market makers and understand the liquidity risk involved. They would have to trade against other investors with opposite views when they open or close their stock futures positions.
