Introduction of Regional Enterprise Data Package

HKEX Information Services (China) Limited ("HKEX-IS (China)") is pleased to introduce a new market data programme leveraging the existing Enterprise Data Package ("EDP") to promote greater retail participation in Hong Kong market from Asia Pacific ("APAC") regions.

The following market data programme, effective until 30 September 2028, is applicable to market data vendors ("Vendors") who are Exchange Participants of the Stock Exchange of Hong Kong or Hong Kong Futures Exchange or brokers that are registered with a regulatory body for brokerage service of securities or futures/options trading, with details summarized as below:

1. **Regional Enterprise Data Package** – to promote the visibility of real-time securities market data in targeted regions. The 9 regions covered are Australia, India, Indonesia, Japan, Korea, Malaysia, Singapore, Taiwan and Thailand ("the Regions").

Scope:	Vendors who enroll in the Regional Enterprise Data Package may offer real-time Securities streaming level 1 data to an unlimited number of subscribers within the Regions
Subscriber Fee:	Waived on Enterprise Data Package for Securities market data (savings of HK\$400,000 per month)

Please refer to the Regional Enterprise Data Package under [Market Data Promotions](#) for details. For enrolment and relevant enquiries, please send email to MarketData@hkex.com.hk.
