**Important Notes to Clients:**

1. For fault reporting, please call our Connectivity Project & Support Hotline at (852) 2211 6558 during the Post Release Test, or (852) 9183 8966 after 11:00 on the day of Post Release Test.
2. All messages disseminated during the testing period should be treated as non-production data and should be cleaned after the Post Release Test.
3. In any case, all participating Clients should complete the appropriate day-end works including file / database backup, system restoration / fallback and etc. before, during and / or after the Post Release Test.
4. Contingency Arrangements on Typhoon, Extreme Conditions and Rainstorm Warning on the day of the Post Release Test:
  - a. In case Typhoon Signal No. 8 or above or Extreme Conditions or Black Rainstorm Warning is issued/ announced or continues to be in force anytime from 6:30 to before 8:30 on the day of Post Release Test, the Post Release Test will be cancelled and will not be resumed for the rest of the day.
  - b. In case Typhoon Signal No. 8 or above or Extreme Conditions is issued on or after 08:30 on the day of Post Release Test, the Post Release Test will be terminated 15 minutes thereafter.
  - c. In case Black Rainstorm Warning is issued on or after 08:30 on the day of Post Release Test, the Post Release Test will continue until completion.
  - d. In any case, all participating Clients should complete the appropriate day-end works including file / database backup, system restoration / fallback and etc. before, during and / or after the Post Release Test.
