Purpose (Last updated in August 2022)

1. This letter provides guidance on the logistical arrangements for the submission and publication of Application Proofs, OC Announcements, PHIPs and the statements stating that no reliance should be placed on any media reports about the new applicant subsequent to the publication of its Application Proof, OC Announcement or PHIP (as the case may be) under Main Board Rule 9.08(2)(c) (GEM Rule 12.10(2)(c)) (the “**Statements**”) for Main Board and GEM applications on the Exchange’s website. New applicants¹ and their sponsors² must follow these arrangements and such others as may from time to time be prescribed by the Exchange.

Relevant Listing Rules (Last updated in August 2022)

2. Main Board Rules 9.08(2)(a) to 9.08(2)(c) (GEM Rules 12.10(2)(a) to 12.10(2)(c)) provide, among other things, that: (a) an Application Proof, (b) an OC Announcement, (c) a PHIP, and (d) any Statement published on the Exchange’s website need not be submitted to the Exchange for prior review.

¹ For the purpose of this guidance letter, this includes a Collective Investment Scheme (“**CIS**”) applicant which is required to publish an Application Proof and a PHIP under Main Board Rules 20.25 and 20.26.

² For the purpose of this guidance letter, this includes a “listing agent” or a person under whatever description appointed by a CIS applicant which is required to discharge the functions equivalent to those of a sponsor for the purpose of a listing of interests in a CIS under Chapter 20 of the Main Board Rules.

3. Main Board Rules 12.01A, 12.01B and 12.01C (GEM Rules 16.01A, 16.01B and 16.01C) require that a new applicant ³ must publish its Application Proof, OC Announcement and PHIP on the Exchange’s website in accordance with Main Board Rule 2.07C (GEM Rule 16.17) and PN22 to the Main Board Rules (PN5 to the GEM Rules).
4. Main Board Rules 20.23A, 20.25 and 20.26 require a CIS applicant with a listing agent appointed to discharge the functions of a sponsor must publish its Application Proof, OC Announcement and PHIP on the Exchange’s website in accordance with Main Board Rule 2.07C and PN22 to the Main Board Rules.
5. PN22 to the Main Board Rules (PN5 to the GEM Rules) provides detailed submission and publication requirements for Application Proofs, OC Announcements and PHIPs, including language requirements, content requirements, prescribed timing for submission and publication, and the relevant legal confirmations.

General (Last updated in August 2022)

6. For the purposes of publication on the Exchange’s website, an Application Proof (“**AP-Publication**”), OC Announcement and a PHIP must, among other things, be accompanied by appropriate disclaimer and warning statements and not contain any information regarding the proposed offering or other information that would result in the AP-Publication, the OC Announcement or the PHIP being deemed as (i) a prospectus under section 2(1) of the Companies (Winding Up and Miscellaneous Provisions) Ordinance as amended from time to time (Cap. 32) (the “**CWUMPO**”); (ii) an advertisement under section 38B(1) of the CWUMPO; or (iii) an invitation to the public in breach of section 103(1) of the Securities and Futures Ordinance (Cap. 571) as amended from time to time (the “**SFO**”) (CWUMPO and SFO collectively, the “**Relevant Laws**”).
7. So long as an AP-Publication, an OC Announcement or a PHIP published on the Exchange’s website adheres to the guidance set out in paragraphs 8 and 9 below, it will not constitute a prospectus, an advertisement or an invitation to the public under the Relevant Laws (collectively, the “**Offering Materials**”).

Warning and Disclaimer Statements (Updated in August 2022)

8. **Appendices I, II and IIA** set forth examples of the minimum content requirements for the warning and disclaimer statements. They are for reference only and are not intended to be prescriptive. New applicants can adopt statements that contain elements additional to but not detracting from those set out in **Appendices I, II and IIA**.

³ Under Main Board Rule 9A.03(1A), a GEM transfer applicant is not required to submit a PHIP for publication (unless there is a public offer). A GEM transfer applicant is also not required to submit an OC Announcement for publication (unless there is a placing). **(Updated in August 2022)**

Redactions in AP-Publication and PHIP to be published on the Exchange's Website (Updated in March 2019)

9. Please refer to GL56-13 for guidance on what information must be redacted in the AP-Publication and PHIP. The new applicant's legal adviser must provide a confirmation to the Exchange in relation to the redactions of these documents following the wording set out in paragraph 7 of PN22 to the Main Board Rules (paragraph 6 of PN5 to the GEM Rules). Inadequate redaction of information in the AP-Publication and PHIP may render the AP-Publication and PHIP constituting Offering Materials, and the publication of such AP-Publication or PHIP is likely to condition the market ahead of the publication of a properly authorised prospectus and affect market perceptions of an upcoming offer. We will take strict measures against such publication to "cool off" any undesirable impact on the market, including immediate removal of the AP-Publication or PHIP from the Exchange's website and/ or suspension of the vetting of the listing application for up to a month from the date of such withdrawal.

Exemptions from Publication of AP-Publication and OC Announcement in English and Chinese (Last updated in August 2022)

10. Paragraph 18 of PN22 to the Main Board Rules permits a new applicant applying for secondary listing under Main Board Rule 19C.05 or Criteria B under Main Board Rule 19C.05A at the time of filing its listing application to make a confidential filing of its Application Proof.
 - 10A. For a new applicant which has been listed on a Recognised Stock Exchange⁴ or a new applicant applying for secondary listing under Criteria A under Main Board Rule 19C.05A⁵ (or as the case may be, for application for a primary listing on GEM, a new applicant which has been listed on a Recognised Stock Exchange)⁶, the Exchange will consider a request for confidential filing of Application Proof on the basis of the issuer's individual circumstances and the merits of the case.
 - 10B. A new applicant allowed to make a confidential filing (i) is not subject to the publication requirements for its Application Proof under PN22 unless it is requested to comply with them by the Exchange or the Securities and Futures Commission (the "SFC") (as the case may be); and (ii) is not required to publish an OC Announcement at the prescribed timing set out in paragraph 17A of PN22. Instead, such new applicant shall follow paragraph 18 of PN22 and publish an OC Announcement on the same date as it publishes its PHIP.
11. The Exchange or the Commission (as the case may be) may waive or modify the publication requirements for an Application Proof or an OC Announcement. An applicant is encouraged to consult the Exchange or the Commission (as the case may be) at an early stage if it envisages any difficulties in complying with the publication requirements (e.g. where the publication of an Application Proof or an OC Announcement will conflict with the laws of the foreign jurisdiction which the applicant is subject to or unduly prejudice an applicant's continuing listing status on an overseas exchange; if the Application Proof or OC Announcement contains price sensitive information ("**Price Sensitivity Concern**") on the applicant, its related listed parties

⁴ As defined in Main Board Rule 1.01 (GEM Rule 1.01)

⁵ See paragraph 18 of PN22 to the Main Board Rules

⁶ See paragraph 17 of PN5 to the GEM Rules

and/or its financial instruments/derivatives listed on a Recognised Stock Exchange, or in addition to the Price Sensitivity Concern, the applicant is also making a parallel confidential filing to a Recognised Stock Exchange and would like to maintain information parity between the two markets as long as there is no requirement by the Recognised Stock Exchange to disclose material information and confidentiality can be maintained).

12. In the case of a spin-off from an overseas listed parent, the Exchange or the SFC (as the case may be) will only consider a waiver from the publication requirements for AP-Publication or OC Announcements on a case-by-case basis, taking into account whether a new applicant can generally satisfy (i), (ii) or (iii) below:
 - (i) the new applicant's application for listing in Hong Kong constitutes price-sensitive information to its overseas listed parent under the applicable rules of its primary listing venue; the overseas listed parent is not required under the applicable rules of its primary listing venue to disclose the new applicant's listing in Hong Kong (e.g. safe harbour provisions are available under the rules of its primary listing venue); and the overseas listed parent keeps and undertakes to keep the new applicant's application for listing in Hong Kong confidential before the issue of the PHIP;
 - (ii) the AP-Publication contains price-sensitive information to the overseas listed parent under the applicable rules of its primary listing venue; the overseas listed parent is entitled to keep the price-sensitive information confidential under the applicable rules of its primary listing venue by redacting such information in the AP-Publication; and the extent of the proposed redactions will make the content of the AP-Publication meaningless; or
 - (iii) the overseas listed parent's jurisdiction or the relevant stock exchange on which it is listed has requirements or regulations that prohibit the overseas listed parent or the new applicant from publishing a draft listing document relating to the spin-off.
13. In the case of a spin-off from a parent listed on the Exchange, the Exchange and/ or the SFC (as the case may be) will only consider a waiver from the publication requirements for an AP-Publication or an OC Announcement on a case-by-case basis in light of the relevant application of the inside information requirements under Part XIVA of the SFO.

The Statements (*Last updated in August 2022*)

14. A new applicant at its own discretion may publish the Statements on the Exchange's website stating that no reliance should be placed on any media reports about the new applicant subsequent to the publication of its Application Proof/ OC Announcement/ PHIP⁷. The Exchange does not review the Statements, but new applicants must submit a copy to the Exchange for its record prior to publication. New applicants must ensure that each Statement does not include information that (i) would result in the Statement being deemed to be Offering Materials; (ii) discusses its proposed issue of securities; or (iii) promotes its securities to be issued or its listing. A recommended template for the Statements is set out in Appendix III.

⁷ For example, if there are complaints/ allegations in media reports made against a new applicant after its Application Proof/ OC Announcement/ PHIP is published on the Exchange's website. (***Updated in August 2022***)

Publication of AP-Publications, OC Announcements PHIPs and the Statements (Last updated in August 2022)

15. The AP-Publications, OC Announcements, PHIPs, and the Statements must be submitted through HKEX-ESS⁸ and will be published on a designated webpage of the Exchange's website ("**Designated Webpage**"). New applicants must upload the AP-Publication and an OC Announcement through the HKEX-ESS on the same day when the listing application⁹ is submitted to the Exchange. A new applicant's directors should form their own views to conclude that the material comments raised by the Exchange have been addressed before a PHIP is published. A new applicant should also publish an OC Announcement (i) each time an additional overall coordinator is appointed after submission of the listing application⁹. In such a case, the OC Announcement shall be uploaded through the HKEX-ESS for publication as soon as practicable after the appointment is made and in any event no later than the first business day after the date of the appointment (which appointment shall be no later than the 14th day after the date of submission of the listing application⁹); and (ii) each time the appointment of an overall coordinator is terminated after the submission of the listing application (or after the publication of the first OC Announcement for applicants allowed to make a confidential filing). In such circumstances, the OC Announcement shall be uploaded through the HKEX-ESS for publication as soon as practicable after the termination takes place, and is expected to be published no later than the first business day after the date of the termination of the appointment.
16. A new applicant's sponsor must arrange on behalf of the new applicant for the publication of these documents. A sponsor must:
 - (i) register with the Exchange's Primary Market Information Team as a HKEX-ESS user at least three business days before any submission. We will assign a user account to each applying sponsor. If a sponsor is already a HKEX-ESS user, no re-registration is required and the previously allocated user account can be used for submission of AP-Publications, OC Announcements, PHIPs and the Statements through the HKEX-ESS; and
 - (ii) request for activation of the company case number by submitting a request form as set out in **Appendix IV** at least one business day before the filing of the listing application, which should be on or after the Earliest Filing Date stated in the "Acknowledgement of sponsor engagement notification and Case Number Assignment" email..

⁸ e-Submission System ("**HKEX-ESS**") is the Exchange's system to enable registered users to submit documents electronically to the Exchange.

<https://www1.esubmission.hkex.com.hk> (**Updated in July 2019**)

⁹ Refers to the date on which the signed listing application form and all other documents required by the Listing Rules and in the prescribed format as set out in Guidance Letter GL55-13 are submitted to the Exchange. A new applicant that is allowed to make a confidential filing under the Listing Rules is not required to publish an OC Announcement at the prescribed timing set out in paragraph 15 above but is required to publish an OC Announcement on the same date as it publishes its PHIP. The OC Announcement shall be submitted for publication immediately **after** the submission of the Application Proof (or PHIP, where applicable) for publication. (**Updated in August 2022**)

For CIS applicant

- (iii) obtain a company case number from the Listing Division – IPO Vetting Department for the new applicant by filing a request form as set out in **Appendix V** at least one business day before the filing of the authorisation application. This case number is specific to a new applicant and it must be used for submissions of all materials under the same application through ESS.
17. Every AP-Publication, OC Announcement, PHIP and Statement must be:
- (i) prepared in both English and Chinese;
 - (ii) in a ready-to-publish electronic version (see paragraph 23 below for guidance on file size); and
 - (iii) accompanied by a written confirmation from each sponsor to the Listing Division– IPO Vetting Department that the submission of the AP-Publication, OC Announcement, PHIP or Statement is under the new applicant’s authority (see Form M115 (for Main Board applicants) or Form G115 (for GEM applicants)).
18. AP-Publications, OC Announcements, PHIPs and the Statements will be published on the Designated Webpage in a straight-through manner once submitted through HKEX-ESS. The HKEX-ESS operations hours is from 6:00 a.m. to 11:00 p.m. on business days, and 6:00 p.m. to 8:00 p.m. on a non-business day that is immediately before a business day¹⁰. However, if AP-Publications or PHIPs are submitted through CD ROMs (see paragraph 23 below), the publication time on the Designated Webpage will be subject to the time of submission¹¹.
19. Priority is usually given to PHIPs as it is not anticipated that AP-Publications, OC Announcements and Statements will have the same time pressure for publication. If a PHIP is intended to be submitted on a day where no HKEX-ESS service is available, the new applicant and its sponsor should consult the Exchange in advance (in any case no later than 2:00 p.m. on the business day immediately before the day of submission) on whether any special arrangement can be made.

¹⁰ Saturdays are usually closed for maintenance.

¹¹ Usually, if a submission is made on a business day and (a) before 6:00 p.m., it can be published before 11:00 p.m. on the same day; (b) after 6:00 p.m. and the following day is a business day, it can be published before noon on the following day; or (c) after 6:00 p.m. and the following day is not a business day, it can be published between 6:00 p.m. and 8:00 p.m. on the next non-business day (except for Saturdays). If a submission is made on a non-business day between 6:00 p.m. and 8:00 p.m. (except for Saturdays), it can be published before midnight on the same day. The publication time for AP-Publication could be different subject to processing time.
