Market Practitioners

Dear Sirs

Publication of Consultation Conclusions Paper on Review Structure in relation to Listing Committee Decisions

We have today published "*Consultation Conclusions Paper on Review Structure in relation to Listing Committee Decisions*" ("**Consultation Conclusions**").

The Consultation Conclusions represent the results of a public consultation held from 10 August 2018 to 12 October 2018. The market feedback indicated support for the proposals in the consultation paper which we have decided to adopt with minor modifications. The changes enhance governance within the Exchange's structure for reviewing Listing Committee decisions to promote transparency, accountability and consistency in decision-making.

The Rule amendments will come into effect around mid-2019. Separate announcement will be made in respect of the effective date.

The Consultation Conclusions and copies of respondents' submissions are available on the HKEX website:
